MISSION: IMPERATIVE!

Presenting biblical creation scientifically

WAS THERE REALLY A WORLD-WIDE FLOOD? WHERE DID ALL OF THE WATER COME FROM? WHERE DID THE WATER GO AFTERWARD?

WE'RE TOLD THAT SCIENCE PROVES EVOLUTION, BUT HOW CAN SCIENCE PROVE CREATION?

WHEN DID THE DINOSAURS EXIST? WHAT HAPPENED TO THEM? WHAT DOES THE BIBLE SAY ABOUT THEM?

GOT QUESTIONS?

THEN JOIN US FOR

THE CREATION WEEKEND SEMINAR

PRESENTED BY: MIKE SNAVELY

Mike is the founder of Mission Imperative. He graduated from Oak Hills Christian College and was inducted into the Creation of Science Hall of Fame.

KNOW YOUR FACTS. KNOW HOW TO DEFEND YOUR FAITH.

MARCH 17 AND 18
