

Marriage Retreat 2018

Gull Lake Ministries & The Deep Love Assessment

Join us for a weekend filled with opportunities to get to know and understand your spouse more, to build your friendship with each other, and to explore areas of improvement in your relationship! Just as Paul instructs us as Christians to grow in our faith; the same can be applied in growing in our relationship with our spouse.

“I pray that your love will overflow more and more, and that you will keep on growing in knowledge and understanding”
