

Dear AWANA Families,

AWANA Clubs was originally going to begin on September 9th. Due to the ongoing pandemic we are understaffed. Unfortunately, we need to move the startup date to October 7th. If we need to...we will extend the AWANA year so our Clubbers will have the opportunity to complete their curriculum. We would ask for prayers as we continue to face many challenging and difficult decisions. Please pray that we hear the commands of our Lord and that the decisions we make are according to His will. We miss your kids and can't wait to play a role in their spiritual journey. We are praying for you and your children during these trying times.

Love,

Your AWANA Club Staff
